STRENGTH FELT IN WHEAT PIT

Firm Undertone and Strong Cables Improve Situation in Grain Market.

Chicago, Jan. 29.—A firm undertone was manifested through the day in wheat, strength being contributed by foreign cables telling of slight advances in Liverpool prices and a good demand in the Northwest. MINING NEWS

PRICE FIRMER AT QUIET CALL

Slight Advances Recorded in Stocks on Salt Lake Mining Exchange.

Salt Lake, Jan. 29.—At the last call for the week on the local mining exchange this morning slight advances were recorded in the price of Grand Central and New York Bonanza. The former opened at \$1.77 1/2, and closed at \$1.80, while the latter advanced from 8 1/2 cents to 9 cents at the close. Though the rise in prices demanded for these stocks was but slight, it was somewhat sufficient owing to the fact that the quotations have been at such a low mark during the week. Mason Valley also regained a little of the strength it has lost during the week and closed on sales at \$2.17 1/2.

Colorado, Columbus Con. and Stouck stocks which are generally the favorite with the traders, were passed up this morning with but very small sales, prices remaining stationary.

\$3.50 RECIPE CURES WEAK MEN ——— FREE

Send Name and Address Today—
You Can Have It Free and Be Strong and Vigorous

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, falling memory and lame back, brought on by excesses, unnatural drains, or the follies of youth, that has cured so many weak and nervous men in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope to any man who will write me for it.

This prescription comes from a physician who has made a special study of men and I am convinced it is the surest-acting combination for the cure of deficient manhood and vigor failure ever put together.

I think I owe it to my fellow man to send them a copy in confidence so that any man anywhere who is weak and discouraged, with repeated failures may stop dragging himself with harmful patent medicines, secure what I believe is the quickest-acting restorative, upbuilding, SPOT-TOUCHING remedy ever devised, and so cure himself at home quickly and quietly. Just drop me a line like this: Dr. A. R. Robinson, 4200 Luck Building, Detroit, Mich., and I will send you a copy of this splendid recipe in a plain ordinary envelope free of charge. A great many doctors would charge \$3.00 to \$5.00 for merely writing out a prescription like this—but I send it entirely free.

Shifting the Stuffs.
At a Christmas dinner in Washington a statesman who had been much up the public eye was called upon after the meal to make a little speech. He arose and began:
"You have been giving your attention so far to a turkey stuffed with sage. You are now about to give your attention to a sage stuffed with turkey."—Judge.
